

WAIVER AND RELEASE FORM

Hillcrest Farm is located at 17873 Trans Canada Highway, Bonshaw Prince Edward Island, Canada.

I, the undersigned, recognize that entering the Hillcrest Farm property and/or the disc golf course on the property includes exposure to potentially harmful hazards including, but not limited to: flying discs, sharp branches and sticks on the ground and on the trees, uneven and varied terrain, and domestic and wild animals.

I understand that as a condition of using or visiting the property, I fully and completely release and discharge Hillcrest Farm, its owners William H. Best and William J. Best, and their family members, employees, agents, sponsors and contractors (henceforth known as the Indemnitees) from any and all liability and obligation of any kind or nature for injury to or death to me or any visitors or relatives I bring with me or to any animal owned by me, or for loss or damage to my property arising during, in connection with or in any way related to my use of the property and/or participation in any events from any cause whatsoever, INCLUDING THE NEGLIGENCE OF THE INDEMNITEES, OR ANY OF THEM.

Further, I agree to INDEMNIFY and hold the Indemnitees, and each of them, harmless from any and all liability or obligation of any kind or nature for injury to or death of any person or damage to any property caused by me, or in any way related to or in connection with my use of the property or participation in any event, including, but in no way limited to, damage to the property of the Indemnitees.

The release and indemnity set forth in this document (a) shall be binding on me, and person or entity claiming by, through, or under me, my heirs, executors, administrators, legal and personal representatives, successors and assigns; and (b) shall inure to the benefit of the Indemnitees, their heirs, executors, administrators, legal and personal representatives, successors and assigns.

Further, I understand and agree that I am and will be responsible for acts of any minor/animals admitted to the property and/or event with me or over whom I have control. If I am the parent/owner or legal guardian of any minor/animals present at the property and/or event, the release set forth above is also given for such minor in my capacity as the parent or legal guardian/owner of such minor/animal, and the indemnity set forth above shall extend to any injury, death, or damage caused by such minor/animal.

I have received a copy of the rules (see reverse side of page) and have read them. I acknowledge that I will follow all of them. I understand that this is a private property and that I will not vend any products without the permission of the owners. I will throw litter only in garbage cans and not pollute the property, the roadside or any neighboring properties. I will not bring any illegal drugs, firearms or weapons of any kind on the property. I will not smoke anywhere on the farm or the disc golf course, except for on the deck on the clubhouse.

This waiver will remain in effect from the date below, at any time that I am on the Hillcrest Farm property including the disc golf course or clubhouse.

Hillcrest Farm and Hillcrest Farm Disc Golf Course Rules

- Absolutely NO smoking anywhere on the disc golf course. The risk of fire hazard is simply too great. If you have to smoke, you may do this on the deck at the Dragonfly Clubhouse. Please make sure all butts are properly put out before leaving the premises.
- No fires or fireworks of any sort to be set on the property.
- Do not hurt or kill any wildlife, domestic or wild, on the property. Do not willfully damage or remove any trees, shrubs or flowering plants on the course.
- No littering of any kind. Separate your garbage into compost, waste and recyclables and put it in the appropriate containers at the clubhouse or at the containers provided at the tees along the course.
- You are responsible for your dog while it is on Hillcrest Farm property including the disc golf course. It must be under your direct control at all times, and within your eyesight. Please make sure it is not a threat to other players or other animals, both domestic and wild. Remember that some people are afraid of dogs and leash yours accordingly. Don't forget to pick up after it (you know what we mean!). Bags are provided at the entrance to the course for this purpose.
- Course admission is \$12* per person per day to play this course, for everyone over the age of 12. Also there is a fee of an additional \$3* to borrow a bag and discs while you are on the property. Please put cash in an envelope and print your name on the front, and deposit it in the yellow cream separator at the entrance to the course. (*PEI HST included: GST #123433898RT0001). Alternatively you can pay by interac e-transfer to hillcrestdiscgolf@gmail.com.
- All bags and discs must be left at the clubhouse before you leave the farm property. Your borrowed bag and discs should be clean and tidy, and put back where you got it. Do not take additional discs from other rental bags.
- If you lose a borrowed disc on the course, please leave a note on the clipboard in the clubhouse noting the details requested, after you finish playing and before you leave the property.
- Do not mark in any way or paint on signs, trees, clubhouse, tees, or anywhere else on the farm property.
- You are welcome to go into the clubhouse, but you must not damage any property therein or the clubhouse itself. You will leave the clubhouse, the disc golf course, and the property in as good as or better condition than when you entered it. You are responsible for any visitors you bring with you, to ensure they also abide by this rule.
- Please stay on the disc golf course and the clubhouse areas of the farm property. Do not go up the hill on the main driveway or to any other part of the farm property without prior approval from an owner.
- Don't touch the fences – they are electric and will give you a shock if you do so.
- The fences are meant to keep livestock in, so please do not open any gates. If you find a field gate open, please inform an owner.
